

" The EVOLVING Employment Model! Managing Your Career in the Rapidly Changing Economy "

The landscape is changing. Consulting and gig jobs, health passports, major disrupters, Work-From-Home, and more seem to dominate the landscape. Understanding what the changing employment model is and how to fit into it is essential to work success. This highly interactive session explores what jobs and careers look like going forward. Develop a new outlook on how to create income stability and growth as well as consistent work. Share your experiences.
